WiX.com

I'm a document.

You can easily add your own PDF, Word, Excel, and other documents. Just follow our steps below.

Create your own document and then:

1. In the editor, click on the image or button you want to use.

2. Click on "Link to" and choose "Document".

3. Click on "Choose Document", and upload your document.

You can see how your users will see the link in Preview Mode.

Visit the Help Center to learn how to add links to your images, galleries and more.

Click the icon in the top right corner of the Wix Editor.
